[Despatch Abstract.]

Legislative Assembly Question - Erosion - South ~~xxxxx~~ Kanara - Hosdrug Sub-taluk - Kariyamkot river - strengthening of banks from Kariyankot to Perambatha.

LEGISLATURE (ASSEMBLY) SECRETARIAT.

21--9--54.

STARRED.

SRI K.P. GOPALAN, M.L.A.

PUBLIC WORKS DEPARTMENT

*Q.NO:469.

Will the Hon. the Minister for Public Works be pleased to state:-

(a) whether it is a fact that both the banks of the Kariyamkot River from Kariyamkot to Perumbatha in Hosdurg Sub-taluk, South Canara for a distance of about 20 miles are being heavily eroded for the last five years causing destruction to crops and trees;

(b) if so, whether the Government have cancelled the land revenue due from the lands thus annexed by the river;

(c) whether the Government have any proposals on hand to build up properly these two banks and give protection to the lands in question and

(d) if so, what they are and when the work is likely to be completed?

Ref:- Your Memo.No.76953-S/54-P., dated 1.11.'54.

It is reported that the particulars called for are not available with the Public works Department and that the Executive Engineer, South Kanara Division has sent a copy of the Government memorandum to the Collector of South Kanara District with a request to furnish the details available in his office. I have also asked the Executive Engineer, Coimbatore to report specifically whether the rivers are in charge of Public Works Department or in charge of the Revenue Department and this information is awaited. A further report will be sent on receipt of the Superintending Engineer's reply.

Sir,

Question No.462:

Will the Honourable the Minister for Public Works be pleased to state:

(a) whether it is a fact that both the banks of the Kariyankot river from Kariyankot to Perumbatha in Hosdrug Sub-taluk, South Canara for a distance of about 20 miles are being heavily eroded for the past five years causing destruction to crops and trees;

(b) if so, whether the Government have cancelled the land revenue due from the lands thus annexed by the river;

(c) whether the Government have any proposals on hand to build up properly these two banks and give protection to the lands in question; and

(d) if so, what they are and when the work is likely to be completed?

ANSWER.

(a) No. There have been only slight erosions here and there in the 20 miles stretch referred to and some damage to trees standing on the banks.

(b) No.

(c) & (d). No. The question of protection to lands does not arise at present.

PUBLIC WORKS DEPARTMENT.

NOTE FOR ANSWERING SUPPLEMENTARIES.

The report obtained from the Chief Engineer in this regard is at pp. 11 and 15 c.f. Based on the report received from the Collector of South Kanara the Chief Engineer has stated that there have been erosions here and there on both the banks of the Kariyankot river from Kariyankot to Perumbatha for a distance of about 20 miles for the last five years bu there have been only some damages to trees standing on the banks; that there were no cases of cancellatio of land revenue, and that there are no proposals for building the banks. The Chief Engineer has stated that the Superintending Engineer has reported that no information was available in his office as to whether the Kariyankot river is in charge of Public Works Department or in charge of the Revenue Departme It may be presumed that the river is in charge of the Revenue Department. Such erosions are not uncommon in rivers.

Erosion of the banks of the Kariyamkot river.

694. ---
*469.--Sri K.P.Gopalan: Will the Hon. the Minister for Public Works be pleased to state--

(a) whether it is a fact that both the banks of the Kariyamkot river from Kariyamkot to Perumbatha in Hosdrug sub taluk, South Kanara Kariyamkot to Perumbatha in Hosdrug sub taluk, South Kanara, for a distance of about 20 miles are being heavily eroded for the past five years causing destruction to crops and trees;

(b) if so, whether the Government have cancelled the land revenue due from the lands thus annexed by the river;

(c) whether the Government have any proposals on hand to build up properly these two banks and give protection to the lands in question; and

(d) if so, what they are and when the work is likely to be completed?

~~Sri~~

*** **** ****

*694. THE HON. RAJA SRI SHANMUGA RAJESWARA SETHPATHI: (a)No. There have been only slight erosions here and there in the 20 miles stretch referred to and some damage to trees standing on the banks.

(b) No.

(c) and (d). No. The question of protection to lands does not arise at present.

Sri K.P.GOPALAN: Very great damage has been caused and not 'slight damage' as was stated by the Hon'. Minister. So will the Government be pleased to make enquiries about this and find out whether the embankment is necessary and if so take necessary steps in this connection?

The Hon.Raja Sri Shanmuga Rajeswara Sethupathi: My answer is based on the report I have obtained from the Chief Engineer which is based on the report of the Collector of South Kanara. If the Hon.Member maintains that the damage has been greater than what I have stated is then, I have again to refer the matter to them for report. That is all I can do at present.
